

Chronic Special Needs Plans (C-SNP)

Available in all 26 GlobalHealth
service area counties!

What is a C-SNP plan?

C-SNPs are types of Medicare Advantage plans designed for Medicare beneficiaries with chronic conditions.

What conditions qualify?

For 2023, GlobalHealth offers C-SNP plans in all 26 service area counties. These C-SNP plans cover:

- Chronic Heart Failure
- Diabetes
- Cardiovascular disease including cardiac arrhythmias, coronary artery disease, peripheral vascular disease, and chronic venous thromboembolic disorder.

How do C-SNPs help?

Members enrolled in a C-SNP plan receive additional proactive case management services to help manage chronic conditions. Members receive a tailored health care action plan to help them reach their optimal health.

C-SNP training is required of all providers. Please contact provider.relations@globalhealth.com.
