

# Low Cost Generic List

---

GlobalHealth is working to minimize your out-of-pocket cost as well as reduce overall health care costs. With that goal in mind, certain plan designs offer a low-cost generic tier. The following drugs are available at the lowest cost on these plan designs. Please note the specific strengths and dosage forms; other strengths and/or dosage forms of these products would be subject to the standard generic copay. Please discuss your condition with your physician to see if one of these products might be right for you.
