Key Terms

- **Coinsurance:** An amount you may be required to pay as your share of the cost for services or prescription drugs. Coinsurance is usually a percentage (for example, 20%).
- **Copayment (copay):** An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor's visit, hospital outpatient visit, or a prescription drug. A copayment is a set amount, rather than a percentage. For example, you might pay \$10 or \$20 for a doctor's visit or prescription drug.
- **Cost Share:** Cost-sharing refers to amounts that a member has to pay when services or drugs are received (for example, your copayment or coinsurance).
- **Deductible:** The amount you must pay for health care or prescriptions before our plan begins to pay.
- **Drug Formulary:** A list of prescription drugs covered by the plan. The drugs on this list are selected by the plan with the help of doctors and pharmacists. The list includes both brand name and generic drugs.
- **Maximum out-of-pocket (MOOP):** The most that you pay out-of-pocket during the calendar year for in-network covered services.
- **Network:** Group of contracted providers, facilities and pharmacies for the plan.
- **Premium:** The periodic payment to Medicare, an insurance company, or a health care plan for health or prescription drug coverage.
- **Prior Authorization (Referral):** On certain services or drugs, you will need to get approval in advance from GlobalHealth before obtaining the services or drugs. Your Primary Care Physician (PCP) may submit a referral to GlobalHealth for the prior authorization. If you do not get prior authorization, GlobalHealth may not cover the services.

Medicare Star Ratings

What are Star Ratings?

Medicare uses information from member satisfaction surveys, plans, and health care providers to give overall performance star ratings to Medicare health and prescription drug plans.

Why are Star Ratings important to me?

These ratings help you compare plans based on quality and performance. A plan can get a rating from one to five stars. A 5-star rating is considered excellent. The overall plan rating gives you a single summary score that makes it easy for you to compare plans based on quality and performance.

What do the plan ratings measure?

For plans covering health services, the overall score for quality of those services cover several different topics in five categories:

- Staying healthy
- Managing chronic (long-term) conditions
- Ratings of health plan responsiveness and care
- Health plan member complaints and appeals
- Health plan telephone customer service

For plans covering drug services, the overall score for quality of those services cover several different topics in four categories:

- Drug plan customer service
- Drug plan member complaints and Medicare audit findings
- Member experience with drug plan
- Drug pricing and patient safety

Learn More About Plan Ratings

Visit the Medicare Plan Finder Tool on www.medicare.gov to learn more about plans and see their ratings. You can find a plan's overall rating on the Plan Results page or view a complete summary of all plan's quality and performance ratings by clicking "Plan Ratings" on the Plan Results page.

GlobalHealth Star Ratings

GlobalHealth - H3706

2018 Medicare Star Ratings*

The Medicare Program rates all health and prescription drug plans each year, based on a plan's quality and performance. Medicare Star Ratings help you know how good a job our plan is doing. You can use these Star Ratings to compare our plan's performance to other plans. The two main types of Star Ratings are:

1. An Overall Star Rating that combines all of our plan's scores.
2. Summary Star Rating that focuses on our medical or our prescription drug services.

Some of the areas Medicare reviews for these ratings include:

- How our members rate our plan's services and care;
- How well our doctors detect illnesses and keep members healthy;
- How well our plan helps our members use recommended and safe prescription medications.

For 2018, GlobalHealth received the following Overall Star Rating from Medicare.

★★★★☆
3.5 Stars

We received the following Summary Star Rating for GlobalHealth's health/drug plan services:

Health Plan Services: ★★★★★
3.5 Stars

Drug Plan Services: ★★★★★

The number of stars shows how well our plan performs.

★★★★★	5 stars - excellent
★★★★☆	4 stars - above average
★★★☆☆	3 stars - average
★★☆☆☆	2 stars - below average
★☆☆☆☆	1 star – poor

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 844-280-5555 (TTY: 711), 8:00 a.m. to 8:00 p.m., 7 days a week (October 1 - March 31) and Monday - Friday (April 1- September 30).

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit www.GlobalHealth.com or call 844-280-5555 (TTY: 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2019.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

You can pay by mail, Electronic Funds Transfer (EFT), or credit card each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month. If you are assessed a Part D-Income related Monthly Adjustment Amount, you will be notified by the Social Security Administration. People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at: www.socialsecurity.gov/prescriptionhelp.

If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare only pays a portion of this premium, we will bill you for the amount Medicare doesn't cover.

If there isn't any information on whom to contact, your benefits administrator or the office that answers questions about your coverage can help.

By completing this enrollment application, I agree to the following:

GlobalHealth is a Medicare Advantage plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. **(For Generations Value Plan Only:** I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future.) Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available. (Example: October 15 - December 7 of every year), or under certain special circumstances.

GlobalHealth serves a specific service area. If I move out of the area that GlobalHealth serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of GlobalHealth, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from GlobalHealth when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

I understand that beginning on the date GlobalHealth coverage begins, I must get all of my healthcare from GlobalHealth, except for emergency or urgently needed services or out-of-area dialysis services. Services authorized by GlobalHealth and other services contained in my GlobalHealth Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, **NEITHER MEDICARE NOR GLOBALHEALTH WILL PAY FOR THE SERVICES.**

I understand that if I am getting assistance from a sales agent, broker, or other individual employed by or contracted with GlobalHealth, he/she may be paid based on my enrollment in GlobalHealth.

Release of Information: By joining this Medicare health plan, I acknowledge that GlobalHealth will release my information to Medicare and other plans as is necessary for treatment, payment and healthcare operations. I also acknowledge that GlobalHealth will release my information, including my prescription drug event data, to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

I understand that my signature (or the signature of the person authorized to act on my behalf under the laws of the State where I live) on this application means that I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that: 1) this person is authorized under State law to complete this enrollment and 2) documentation of this authority is available upon request from Medicare.
