Important Information

This Network of Providers is available to all Members who enrolled in GlobalHealth through an employer group in the State of Oklahoma plan, including State, Education, and Local Government employees who enrolled through the State of Oklahoma benefits enrollment process.

With GlobalHealth, you get a wide range of services to meet your healthcare needs and a large network of Primary Care Physicians (PCPs) and Specialists. You are covered 24 hours a day, every day of the year.

You will need to choose a PCP from the list of physicians in this *Physician and Health Providers Directory (Provider Directory)* before you see a doctor. Feel free to choose any available PCP from the list, including a pediatrician for children. You and each Member of your family may choose the same PCP, or you may have different PCPs.

Member Materials

Please read this *Provider Directory* and other member materials carefully.

How your Plan works (what is covered, how it is covered, and how to access it) and your Cost-share responsibility (Deductible, Copayment, Coinsurance, and Out-of-Pocket Limit)	Refer to your HMO Member Handbook.
Lists of your covered drugs. It explains what Tier a drug is in and any restrictions for each drug.	Refer to your Formulary Drug List.
Lists of pharmacies	Pharmacy Directory
Lists of physicians and Facilities	This Provider Directory

Member materials are available on our website. Contact us for printed copies. But, be aware that the most current *Drug Formulary*, *Pharmacy Directory*, and *Provider Directory* lists are on the website.

This is an important legal document. Please keep it in a safe place.

When this document says “we”, “us”, or “our”, it means GlobalHealth, Inc. Words or phrases that start with a capital letter are defined in the *Member Handbook* glossary.

Provider Search

Visit www.GlobalHealth.com to use the online provider search. Our online list of Network of Providers is updated at least weekly. Visit our website to find a current *Provider Directory* and search tool online for the latest information. Search by first and last name, county, and zip code. You can also narrow your search by specialty, languages spoken, or gender.

Provider Listings

This directory is current as of printing. Some Network Providers may have been added or removed from our Network after this directory was printed. This information is updated at least monthly on the GlobalHealth website. The list may not be all-inclusive.

We do not guarantee that each Provider is still accepting new Members. Some Facilities may change from preferred to non-preferred status. To get the most up-to-date information about Network Providers in your area, you can visit our website or call us.

Referral and Preauthorization may be required to access some Providers. See your *Member Handbook*.
