

Well Visit Checklist – Well-woman

The chart shows preventive care services that you may discuss and/or receive during routine well visits to your PCP or OB/GYN. Not every service will be right for you. Your PCP or OB/GYN will recommend appropriate services. Services may require multiple visits and/or Preauthorization.

| Population | Preventive Care to Discuss |
|--|---|
| Women – During well-woman visit (annual) | <ul style="list-style-type: none"><input type="checkbox"/> BRCA<input type="checkbox"/> Breast cancer chemoprevention<input type="checkbox"/> Cervical cancer<input type="checkbox"/> Contraception<input type="checkbox"/> Domestic and interpersonal violence<input type="checkbox"/> HIV/STI<input type="checkbox"/> HPV |
