

## Well Visit Checklist for Newborns

The chart shows preventive care services that you may discuss and/or your newborn may receive in the hospital. Not every service will be right for your child. Your child's pediatrician will recommend appropriate services.

Population	Preventive Care to Discuss
Children – Newborn services at birth (Inpatient)	<ul style="list-style-type: none"><li><input type="checkbox"/> Congenital hypothyroidism</li><li><input type="checkbox"/> Gonorrhea preventive medication for the eyes</li><li><input type="checkbox"/> Hearing</li><li><input type="checkbox"/> Height and weight</li><li><input type="checkbox"/> Hemoglobinopathies or sickle cell</li><li><input type="checkbox"/> Immunizations</li><li><input type="checkbox"/> PKU</li></ul>
