GlobalHealth	\$50 Quarterly

GlobalHealth is pleased to provide its members with the Over-the-Counter (OTC) Program. This is a convenient way to get OTC drugs and supplies by mail through your **GlobalHealth** OTC benefit.

Be sure to take full advantage of this great benefit. To get started, select the item(s) you want to complete your order. The OTC Benefit is reset once every three months (quarterly). Your OTC allowance does not carry over to the following quarter. Remember, your order total cannot exceed your allowable benefit, we cannot accept payment to purchase items over your benefit. Please note, if you exceed the benefit your order cannot be processed.

This information is available for free in other languages. Please contact our customer service number 1-888- 628-2770 and for TTY/TTD assistance please dial 1-877-672-2688.

ORDER BY PHONE:

To place your order by phone, call 1-888-628-2770, TTY: 1-877-672-2688, from 9 a.m. to 8 p.m., Eastern, Monday through Friday.

Please note: You can call any time during normal business hours to place an order. Keep in mind that wait times increase sharply during the beginning of the month. You may also place orders online.

ORDER BY INTERNET:

Place your order online: GlobalHealth.OTCHS.com

ORDER BY MAIL:

1. Clearly write your name, address, telephone number and member ID number in the space at the top of the form.
2. Enter quantity of items you want on the order form that add up to your benefit amount or less.
3. Fold this form and put in an envelope. Place a first class postage stamp on the envelope and send it to:

**OTC Health Solutions,
9675 NW 117th Avenue, Suite 202
Miami, FL 33178**

4. A replacement order form will be included in the package containing your order. The replacement order form may be used for your next eligible monthly order.

Eligible Items: Each eligible OTC item is either a medicine, ointment or spray, or used for treatment of a condition which is addressed by a medicine, ointment or spray, which has active medical ingredients. First aid supplies including bandages, dressings, and non-sport tapes are also eligible. Non-eligible items will not be covered.

Dual-purpose items are medicines and products that can be used for either a medical condition or for general health and well-being. In order to purchase these items, your personal physician must recommend them to you for a specific diagnosed condition. These items are marked with a “●”. Please speak to your physician before ordering these items.

When an item is covered by Part B or Part D due to your particular circumstances, you would not use your OTC benefit to obtain the item because it is Medicare-covered in those circumstances, and not part of your OTC benefit. For example, gauze may be covered under Part B when it is being used as prescribed, to perform surgical wound dressing changes.

Other items on this order form are classified as eligible. These eligible items may be ordered/purchased by the member without further action.

OTC products on this list are intended for member use only to help with a health or medical need. The use of this benefit to order OTC items for family members and friends is prohibited.

Orders will be shipped to your home at no extra charge. Please allow **7 - 10** business days for delivery.

Return Policy: If you receive a damaged item, please call OTC Health Solutions within 30 days after receiving your order. An identical replacement item will be shipped. No other returns or exchanges are allowed.

This product list is subject to change. This benefit is only available if your plan offers the OTC service as a benefit. Please review your Evidence of Coverage document for more information.
