

Medical - Behavioral Health Coordination of Care Referral Form Instructions

If you are caring for a GlobalHealth member with both medical and behavioral health needs and you think he/she could benefit from coordinated care, please discuss the option with your patient.

To refer your patient for coordinated care, please complete the **Medical Coordination of Care Referral Form** and fax the complete form to:

GlobalHealth
Fax: (405) 758-4318
Telephone: (405) 280-5786

Please do NOT email the Referral Form.

We encourage you to obtain an authorization to release PHI from your patient, so that treatment information can be shared. This form is available on our website at: <https://globalhealth.com/providers/forms-and-resources/>.

Please remember, GlobalHealth members can self-refer for behavioral health, chemical dependency and alcohol/substance use services by contacting Beacon Health Options at the phone number listed on the back of their GlobalHealth ID card.
