Important Information

This Network of Providers is available to all Members who enrolled in GlobalHealth through an employer group in the State of Oklahoma plan, including State, Education, and Local Government employees who enrolled through the State of Oklahoma benefits enrollment process.

With GlobalHealth, you get a wide range of services to meet your healthcare needs and a large network of Primary Care Physicians (PCPs) and Specialists. You are covered 24 hours a day, every day of the year.

You will need to choose a PCP from the list of physicians in this *Physician and Health Providers Directory* (*Provider Directory*) before you see a doctor. Feel free to choose any available PCP from the list, including a pediatrician for children. You and each Member of your family may choose the same PCP, or you may have different PCPs.

Member Materials

Please read this *Provider Directory* and other member materials carefully.

This is an important legal document. Please keep it in a safe place.

When this document says “we”, “us”, or “our”, it means GlobalHealth, Inc. Words or phrases that start with a capital letter are defined in the *Member Handbook* glossary.

Provider Search

Visit www.GlobalHealth.com to use the online provider search. Our online list of Network of Providers is updated at least weekly. Visit our website to find a current *Provider Directory* and search tool online for the latest information. Search by first and last name, county, and zip code. You can also narrow your search by specialty, languages spoken, or gender. Preferred Facilities are indicated with an asterisk.

Provider Network Criteria

GlobalHealth evaluates the characteristics of its Service Area, the needs of its proposed Members, and its proposed products including existing Referral patterns to establish a Provider Network in its Service Area.

There are many factors GlobalHealth considers when contracting with Providers and tiering those Providers as preferred:

Accessibility:

GlobalHealth works towards having enough Providers in the areas where our Members live. We review our Network and membership areas regularly to make sure we have the right number of Providers in the right areas. This review includes Primary Care Physicians, Hospitals, and common Specialists like cardiologists, ophthalmologists, and oncologists. GlobalHealth also makes sure that we meet guidelines set by the Centers for Medicare and Medicaid Services (CMS) as well as any state regulations. If we do not have enough Providers in the areas around our Members, we will work to contract more.

Qualifications:

Before being added to our Network, Providers go through a credentialing process. This process confirms that the Provider has the appropriate education, training, license, and/or certification, and checks their malpractice history and any other background information that may be important. This review is performed at least every three years, and at that time, we also consider any feedback we have received from our Members when deciding whether to continue a Provider’s contract.

In addition to the credentialing process, GlobalHealth reviews efficiency, effectiveness and outcomes measured when enough information is available. For example, GlobalHealth reviews its Providers for how they perform on nationally recognized measurements such as Healthcare Effectiveness Data Information Set (HEDIS) and coordination of appropriate health screenings.

Cost:

Providers must agree to a contracted rate with GlobalHealth before being added to our Network. These rates are meant to keep healthcare costs affordable without sacrificing quality. GlobalHealth also offers contracts that reward Providers, specifically Facilities, for meeting certain performance standards that promote quality outcomes for their patients. These Providers may be designated as a “Preferred Facilities.” You may review our preferred Provider network by toggling to “Preferred” which is also designated with a check mark in the online *Provider Directory*. Our Members should use this tool and designation when needing to locate a Preferred Provider in the Network.

Patient Experience:

GlobalHealth requires providers to have admitting privileges at a Network Hospital when appropriate. This makes it easier for our Members to be referred to Network Facilities when needed, which is another way of keeping healthcare costs low. GlobalHealth also considers any Member complaints received when deciding whether to keep a Provider in our Network.

Provider Listings

The information in this directory is accurate as of printing. This Provider Directory was printed on 09/01/2025. Some Network Providers may have been added or removed from our Network after this directory was printed. This information is updated at least monthly on the GlobalHealth website. The list may not be all-inclusive.

We do not guarantee that each Provider is still accepting new Members. Some Facilities may change from preferred to non-preferred status. To get the most up-to-date information about Network Providers in your area, see the Provider Search Tool on our website, www.GlobalHealth.com or call Customer Care at 1-877-280-5600 (TTY: 711).

You may report inaccurate information by calling Customer Care at 1-877-280-5600. You may also report by going to the provider's name in the online search tool at www.GlobalHealth.com and clicking Report Inaccurate Data button.

Referral and Preauthorization may be required to access some Providers. See your *Member Handbook*.

Notice Of Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

GlobalHealth is committed and required to protect the privacy and confidentiality of our Members' Protected Health Information ("PHI") in compliance with applicable federal and state laws and regulations, including the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and the Health Information Technology for Economic and Clinical Health ("HITECH") Act. This HIPAA Notice of Privacy Practices (the "Notice") contains important information regarding your PHI. Our current Notice is posted at www.GlobalHealth.com.

How GlobalHealth May Use or Disclose Your Health Information

For Treatment. We may use and/or disclose your PHI to a healthcare provider, hospital, or other healthcare facility in order to arrange for or facilitate treatment for you.

For Payment. We may use and/or disclose your PHI for purposes of paying claims from physicians, hospitals, and other healthcare providers for services delivered to you that are covered by your health plan; to determine your eligibility for benefits; to coordinate benefits; to review for medical necessity; to obtain premiums; to issue explanations of benefits to the individual who subscribes to the health plan in which you participate; and other payment related functions.

For Health Plan Operations. We may use and/or disclose PHI about you for health plan operational purposes. Some examples include: risk management, patient safety, quality improvement, internal auditing, utilization review, medical or peer review, certification, regulatory compliance, internal training, accreditation, licensing, credentialing, investigation of complaints, performance improvement, etc. We will not use or disclose your genetic information for underwriting purposes.

Health-Related Business and Services. We may use and disclose your PHI to tell you of health-related products, benefits, or services related to your treatment, care management, or alternate treatments, therapies, providers, or care settings.

Where Permitted or Required by Law. We may use and/or disclose information about you as permitted or required by law. For example, we may disclose information:

- To a regulatory agency for activities including, but not limited to, licensure, certification, accreditation, audits, investigations, inspections, and medical device reporting;
- To law enforcement upon receipt of a court order, warrant, summons, or other similar process;
- In response to a valid court order, subpoena, discovery request, or administrative order related to a lawsuit, dispute or other lawful process;
- To public health agencies or legal authorities charged with preventing or controlling disease, injury or disability;
- For health oversight activities conducted by agencies such as the Centers for Medicare and Medicaid Services ("CMS"), State Department of Health, Insurance Department, etc.;

- For national security purposes, such as protecting the President of the United States or the conducting of intelligence operations;
- In order to comply with laws and regulations related to Workers' Compensation;
- For coordination of insurance or Medicare benefits, if applicable;
- When necessary to prevent or lessen a serious and imminent threat to a person or the public and such disclosure is made to someone that can prevent or lessen the threat (including the target of the threat); and
- In the course of any administrative or judicial proceeding, where required by law.

Business Associates. We may use and/or disclose your PHI to business associates that we contract with to provide services on our behalf. Examples include consultants, accountants, lawyers, auditors, health information organizations, data storage and electronic health record vendors, etc. We will only make these disclosures if we have received satisfactory assurance that the business associate will properly safeguard your PHI.

Personal/Authorized Representatives. We may use and/or disclose PHI to your authorized representative. Family, Friends, Caregivers. We may disclose your PHI to a family member, caregiver, or friend who accompanies you or is involved in your medical care or treatment, or who helps pay for your medical care or treatment. If you are unable or unavailable to agree or object, we will use our best judgment in communicating with your family and others.

Emergencies. We may use and/or disclose your PHI if necessary in an emergency if the use or disclosure is necessary for your emergency treatment.

Military/Veterans. If you are a member or veteran of the armed forces, we may disclose your PHI as required by military command authorities.

Inmates. If you are an inmate of a correctional institute or under the custody of law enforcement officer, we may disclose your PHI to the correctional institute or law enforcement official.

Appointment Reminders. We may use and/or disclose your PHI to contact you as a reminder that you have an appointment for treatment or medical care. This may be done through direct mail, email, or telephone call. If you are not home, we may leave a message on an answering machine or with the person answering the telephone.

Medication and Refill Reminders. We may use and/or disclose your PHI to remind you to refill your prescriptions, to communicate about the generic equivalent of a drug, or to encourage you to take your prescribed medications.

Limited Data Set. If we use your PHI to make a "limited data set," we may give that information to others for purposes of research, public health action or health care operations. The individuals/entities that receive the limited data set are required to take reasonable steps to protect the privacy of your information.

Other Uses. If you are an organ donor, we may release your medical information to organizations that handle organ procurement or organ, eye, or tissue transplantation or to an organ donation bank, as necessary to facilitate organ or tissue donation and transplantation. We may release your medical information to a coroner or medical examiner.

NOTE: We will disclose your PHI for purposes not described in this notice only with your written authorization. Most uses and disclosures of psychotherapy notes (where appropriate), uses and disclosures of PHI for marketing or fundraising purposes, and disclosures that constitute a sale of PHI require your written authorization. The information authorized for release may include records which may indicate the presence of a communicable or non-communicable disease required to be reported pursuant to State law.

Your Health Information Rights

Right to Inspect and Copy

You have the right to inspect and copy your PHI as provided by law. This right does not apply to psychotherapy notes. Your request must be made in writing. We have the right to charge you the amounts allowed by State and Federal law for such copies. We may deny your request to inspect and copy your records in certain circumstances. If you are denied access, you may appeal to our Privacy Officer.

Right to Confidential Communication

You have the right to receive confidential communication of your PHI by alternate means or at alternative locations. For example, you may request to receive communication from us at an alternate address or telephone number. Your request must be in writing and identify how or where you wish to be contacted. We reserve the right to refuse to honor your request if it is unreasonable or not possible to comply with.

Right to Accounting of Disclosures

You have the right to request an accounting of certain disclosures of your PHI to third parties, except those disclosures made for treatment, payment, or health care or health plan operations and disclosures made to you, authorized by you, or pursuant to this Notice. To receive an accounting, you must submit your request in writing and provide the specific time period requested. You may request an accounting for up to six (6) years prior to the date of your request (three years if PHI is an electronic health record). If you request more than one (1) accounting in a 12-month period, we may charge you for the costs of providing the list. We will notify you of the cost and you may withdraw your request before any costs are incurred.

Right to Request Restrictions on Uses or Disclosures

You have the right to request restrictions or limitations on certain uses and disclosures of your PHI to third parties unless the disclosure is required or permitted by law. Your request must be made in writing and specify (1) what information you want to limit; (2) whether you want to limit use, disclosure, or both; and (3) to whom you want the limits to apply. We are not required to honor your request. If we agree, we will make all reasonable efforts to comply with your request unless the information is needed to provide emergency treatment to you or the disclosure has already occurred or the disclosure is required by law. Any agreement to restrictions must be signed by a person authorized to make such an agreement on our behalf.

Right to Request Amendment of PHI

You have the right to request an amendment of your PHI if you believe the record is incorrect or incomplete. You must submit your request in writing and state the reason(s) for the amendment. We will deny your request if: (1) it is not in writing or does not include a reason to support the request; (2) the information was not created by us or is not part of the medical record that we maintain; (3) the information is not a part of the record that you would be permitted to inspect and copy, or (4) the information in the record is accurate and complete. If we deny your amendment request, you have a right to file a statement of disagreement with our Privacy Officer.

Right to Be Notified of a Breach

You have the right to receive notification of any breaches of your unsecured PHI.

Right to Revoke Authorization

You may revoke an authorization at any time, in writing, but only as to future uses or disclosures and not disclosures that we have made already, acting on reliance on the authorization you have given us or where authorization was not required.

Right to Receive a Copy of this Notice

You have the right to receive a paper copy of this Notice upon request.

Changes to this Notice

GlobalHealth is required to comply with the requirements of this Notice currently in effect. We reserve the right to change this Notice and make the new provisions effective for all PHI that we maintain. The revised Notice will be made available to you on our website at www.GlobalHealth.com.
