IMPORTANT INFORMATION

This formulary applies to Members who enrolled in GlobalHealth through an employer group in the State of Oklahoma, including State, Education, and Local Government employees who enrolled through the State of Oklahoma benefits enrollment process.

Member Materials

Your comprehensive Member handbook has four booklets. Each one has a different purpose.

These documents are important legal documents. Keep them in a safe place.

Booklet	Purpose
<i>Member Handbook for State, Education, and Local Government Employees</i> (“ <i>Member Handbook</i> ”)	• Tells you about your benefits. ○ What benefits are covered and how much you will pay. ○ How they are covered (including limitations and exclusions). ○ How to use them.
<i>Physicians and Health Providers Directory</i> (“ <i>Provider Directory</i> ”)	• Lists our Network of doctors, and Facilities. • Tells you if a Facility is preferred or not.
<i>Pharmacy Directory</i>	• Lists our Network of pharmacies
<i>Formulary Drug List for State, Education, and Local Government Employees</i> (“ <i>Drug Formulary</i> ” or “ <i>Formulary</i> ”)	• Lists drugs we cover. • Tells you what Tier a drug is in. • Tells you if there are any rules to getting a drug.

Member materials are available on our website. Contact Customer Care for printed copies at no charge. But be aware that the most current *Drug Formulary* and *Provider Directory* lists are on the website.

This is an important legal document. Please keep it in a safe place.

When this document says “we”, “us”, or “our”, it means GlobalHealth, Inc. Words or phrases that start with a capital letter are defined in the *Member Handbook* glossary.

For specific questions about your coverage, please call the phone number printed on your Member ID card.

Preferred Drugs

Preferred drugs are listed in this *Drug Formulary*. Drugs on the list are selected based on quality (effectiveness and safety) as well as cost-effectiveness. Doctors and pharmacists have worked together to develop the Formulary, which includes generics and brand name drugs that are approved by the U. S. Food and Drug Administration (FDA).

For the Member: Generic drugs contain the same active ingredients in the same amounts as brand name products. However, they may be a different color, shape, or size.

For the physician: Please prescribe preferred products and allow generic substitutions when medically appropriate. Thank you.

THIS DOCUMENT LIST IS EFFECTIVE AS OF THE DATE ON THE COVER. THIS LIST IS SUBJECT TO CHANGE. You may find the most current list, including any Utilization Management requirements, on our website. Contact Customer Care for printed copies.

EXCEPTION REQUESTS

Call 1-877-280-5600 to ask for an exception.

Others that may help with this process include.

- Your doctor or pharmacist.
- The parent of a child under 18 years of age.
- Your power of attorney with medical decision authority. We must have a copy of the signed power of attorney form on file.
- Your authorized representative. You will need to complete the Appointment of Authorized Representative form (which can be found on our website) if you want us to share your PHI with anyone else, for example:
 - Your parent, if you are age 18 or over.
 - Your spouse.
 - Your caregiver, friend, neighbor, or other.

Exception Type	Process
Standard Exception	You can ask us to waive coverage rules and limits. You may ask us by mail, e-mail, or telephone. Generally, we will only approve a request if: • The alternative drug is included on the <u>Formulary</u>; • The drug without utilization rules would not work as well for you; and • It would cause you to have harmful side effects. We will not approve a request to lower your <u>Cost-share</u> for a drug. If you ask us to cover a drug that is not on our <u>Formulary</u>, your doctor must send: • The reason you need the non-formulary drug; and • A statement that all <u>Formulary</u> drugs on any <u>Tier</u>: ○ Will not or have not worked; ○ Would not work as well; or ○ Would have harmful side effects. You should contact us to find out how to ask for an exception. Your doctor will need to send us information. We make a decision within 72 hours if we have the required information.

Exception Type	Process
	• If we agree, we also cover appropriate refills of the prescription. • If we deny your request, you may ask for an <u>External Review</u>. They will send you their decision within 72 hours after getting your request for review. We will cover your drug during the time we are reviewing. We will also cover your drug during an <u>External Review</u>.
Expedited Exception	You may ask for a fast exceptions process when: • You are suffering from a health condition that may risk your life, health, or ability to regain maximum function; or • You are already using a non-formulary drug. We will tell you our decision within 24 hours after you ask us for a review if we have enough information. • If we agree, we also cover appropriate refills of the prescription. • If we deny your request, you may ask for an <u>External Review</u>. They will send you their decision within 24 hours after getting your request for review. We will cover your drug during the time we are reviewing. We will also cover the drug during an <u>External Review</u>.

PREVENTIVE CARE INDEX

These drugs are available with no Cost-share to you. Drugs listed are based on the recommendations of the U.S. Preventive Services Task Force (USPSTF) in conjunction with the recommendations of Disease Control and Prevention (CDC) and the Health Resources and Services Administration (HRSA). Recommendations, ages, and populations may vary.

This list is subject to change as ACA guidelines are updated or modified.

Immunizations

Covered immunizations include those that are routine vaccines recommended by the CDC and that meet the FDA approved indications for age and/or gender limitations. Coverage also includes non-routine immunizations as designated by the CDC.

THERAPEUTIC CLASS INDEX

Tier 4* drugs in the table below are non-preferred specialty medications. You will pay the higher Cost-share for drugs shown below in Tier 4*.

Key

ACA: Affordable Care Act. Those drugs and products available at no Cost-share to the Member because they are part of Preventive Care.

DME: Durable Medical Supplies. Diabetic supplies that may be purchased at a pharmacy. You pay the Durable Medical Equipment Cost-share shown in your *Member Handbook*.

DS: Diabetic Supplies. Diabetic supplies that may be purchased at a pharmacy. You pay the diabetic supplies Cost-share shown in your *Member Handbook*.

OC: Oral Chemotherapy. You will not pay more than \$100 per prescription fill, regardless of the cost of the Tier.

OTC: Over-the-Counter. You can get these drugs at no cost (if ACA is also indicated) or at your Plan's lowest Cost-share amount (if LCG is also indicated). Otherwise, you will pay the preferred generic Cost-share amount. Your doctor must prescribe them. Present your prescription and Member ID card to the pharmacist.

PA: Prior Authorization. GlobalHealth requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval before you fill your prescriptions. If you don't get approval, we may not cover the drug.

QLL: Quantity Limit. For certain drugs, GlobalHealth limits the amount of the drug that we will cover.

ST: Step Therapy. In some cases, GlobalHealth requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, we may not cover Drug B unless you try Drug A first. If Drug A does not work for you, we will then cover Drug B.

Your Health Information Rights

Right to Inspect and Copy

You have the right to inspect and copy your PHI as provided by law. This right does not apply to psychotherapy notes. Your request must be made in writing. We have the right to charge you the amounts allowed by State and Federal law for such copies. We may deny your request to inspect and copy your records in certain circumstances. If you are denied access, you may appeal to our Privacy Officer.

Right to Confidential Communication

You have the right to receive confidential communication of your PHI by alternate means or at alternative locations. For example, you may request to receive communication from us at an alternate address or telephone number. Your request must be in writing and identify how or where you wish to be contacted. We reserve the right to refuse to honor your request if it is unreasonable or not possible to comply with.

Right to Accounting of Disclosures

You have the right to request an accounting of certain disclosures of your PHI to third parties, except those disclosures made for treatment, payment, or health care or health plan operations and disclosures made to you, authorized by you, or pursuant to this Notice. To receive an accounting, you must submit your request in writing and provide the specific time period requested. You may request an accounting for up to six (6) years prior to the date of your request (three years if PHI is an electronic health record). If you request more than one (1) accounting in a 12-month period, we may charge you for the costs of providing the list. We will notify you of the cost and you may withdraw your request before any costs are incurred.

Right to Request Restrictions on Uses or Disclosures

You have the right to request restrictions or limitations on certain uses and disclosures of your PHI to third parties unless the disclosure is required or permitted by law. Your request must be made in writing and specify (1) what information you want to limit; (2) whether you want to limit use, disclosure, or both; and (3) to whom you want the limits to apply. We are not required to honor your request. If we agree, we will make all reasonable efforts to comply with your request unless the information is needed to provide emergency treatment to you or the disclosure has already occurred or the disclosure is required by law. Any agreement to restrictions must be signed by a person authorized to make such an agreement on our behalf.

Right to Request Amendment of PHI

You have the right to request an amendment of your PHI if you believe the record is incorrect or incomplete. You must submit your request in writing and state the reason(s) for the amendment. We will deny your request if: (1) it is not in writing or does not include a reason to support the request; (2) the information was

not created by us or is not part of the medical record that we maintain; (3) the information is not a part of the record that you would be permitted to inspect and copy, or (4) the information in the record is accurate and complete. If we deny your amendment request, you have a right to file a statement of disagreement with our Privacy Officer.

Right to Be Notified of a Breach

You have the right to receive notification of any breaches of your unsecured PHI.

Right to Revoke Authorization

You may revoke an authorization at any time, in writing, but only as to future uses or disclosures and not disclosures that we have made already, acting on reliance on the authorization you have given us or where authorization was not required.

Right to Receive a Copy of this Notice

You have the right to receive a paper copy of this Notice upon request.
